

## **Your Home**

When you have your own home you are responsible for paying utility bills, e.g. for gas, electricity and water. Find out how much these cost and how to pay

Utility	I need it for	Weekly cost	Ways I can pay
Gas			
Electric			
Water			

## How can you make these bills as cheap as possible?

Bill	How to save money				
Gas					
Electricity					
Water					
Telephone					
How can you protect your home against crime, e.g. burglary?					

Try the Home Budget Activity sheet	
Try the Home Emergencies Activity sheet	
Practise basic DIY skills:	
o Paint a wall	
<ul> <li>Change a light bulb</li> </ul>	
<ul> <li>Change a fuse in a plug</li> </ul>	
<ul> <li>Put together a piece of flat-pack furniture</li> </ul>	
Read a gas and electricity meter.	
Turn off the water at the mains.	
When you rent somewhere to live you are called a responsibilities of being a ten	

## Find out what happens if you break the 'rules' as a tenant
